

COONARA

**TRUST ONLY GENUINE
COONARA WOODHEATERS**

WE HAVE BEEN PROUDLY MANUFACTURING IN AUSTRALIA FOR OVER 35 YEARS.

Woodheaters have been the key to our business growth since the mid 1980's. Over the years our manufacturing of Woodheaters has employed hundreds of locals and contributed significantly to the local community — this is something we are extremely proud of. The acquisition of the Coonara brand in 2001 was made possible due to our earlier success in our contract manufacturing of Woodheaters and we are really excited about the newly introduced technologies that deliver Coonara Woodheaters with high efficiency heating and low emissions. This is a major step in the right direction for our environment.

Of course none of our success could be achieved without the support and dedication of our fantastic staff. We are a proud Australian manufacturer and we are proving that locally manufactured products can successfully compete with imported products. Your support is critical in helping keep the Australian manufacturing industry safe. We thank you for your continued support of Australian made Coonara Woodheaters. They really are an Aussie icon.

Yours sincerely

Eric Woodgate
Managing Director

AUSSIE RADIANT

The Coonara Aussie Radiant Heater is what our country has been waiting for.

This Coonara Radiant is designed to heat an area of up to 15 squares* while the flames are simply breathtaking. This heater comes with an optional steel trivet for boiling water or cooking on.

Where tradition meets innovation.

- Australian made and owned
- Charcoal painted finish
- Heats up to 15 squares*
- Optional steel trivet
- No fan required
- 10 year firebox warranty
- Optional 30mm legs

AUSSIE STACKER

HIGH EFFICIENCY

60%

LOW EMISSIONS

1.3g/kg

The Coonara Aussie Stacker has just become more versatile with the provision to store wood underneath to get you through these cold and chilly nights. Another significant benefit with this style of heater is it's higher off the ground which makes loading the fire a lot easier.

Where tradition meets innovation.

- Australian Made and Owned.
- Charcoal Painted Finish
- Heats up to 15 Squares*
- Optional Steel Trivet.
- No fan required.
- 10 Year firebox warranty.

COMPACT FREESTANDING

HIGH EFFICIENCY

60.3%

LOW EMISSIONS

1.2g/kg

The best things come in small packages.

This was the vision that fuelled the creation of the Coonara Compact freestanding woodheater – to create a compact heater that was ideal for use in smaller spaces in terms of size and aesthetic appeal, with the ability to provide comfort and warmth for living areas up to 10 squares.*

The Compact freestanding heater achieves these expectations and is the benchmark in the evolution of compact woodheaters.

Where tradition meets innovation.

- Australian made and owned
- Glass size 410mm wide 230mm high
- Optional 3 speed fan
- Standard Colour – charcoal
- Firebricks in the base of the box
- 10 year firebox warranty

MIDI FREESTANDING

Stunning looks and performance are trademarks of the Coonara Midi freestanding woodheater.

A stylish and distinctive mid range woodheater, the Midi freestanding heater heats up to 20 squares* and will become a design feature in your home.

Where tradition meets innovation.

- Australian made and owned
- Glass size 430mm wide 225mm high
- 3 speed fan included
- Standard Colour – charcoal
- Optional stainless steel pedestal and heater side panels with chrome door caps
- Firebrick lined box
- 10 year firebox warranty

Stainless Steel.

SETTLER C500

The Settler C500 has all the character and warmth you would expect from this Aussie Icon. You can simply sit back and relax watching the flames flickering before you.

With a large self cleaning viewing window, durable cast iron lined box and a 3 speed fan, it can comfortably heat up to 22 squares* of open living area.

Where tradition meets innovation.

- Australian made and owned
- Glass size 433mm wide 312mm high
- 3 speed fan included
- Standard Colour – charcoal
- Side panels come plain or with trees
- Optional base
- Durable cast iron lined box
- 10 year firebox warranty

HIGH EFFICIENCY

SETTLER C500 RANCH

The Settler C500 Ranch is a recent addition to the Coonara range. A good size heater to heat up to 22 squares* with an added bonus of a storage area at the bottom to keep your wood handy and dry.

Where tradition meets innovation.

- Australian made and owned
- Glass size 433mm wide 312mm high
- 3 speed fan included
- Standard Colour – charcoal
- Side panels come plain or with trees
- Durable cast iron lined box
- 10 year firebox warranty

MEDIUM FREESTANDING

Lounge in comfort as the ultra smooth and quiet Coonara Medium freestanding woodheater efficiently warms up your home.

Small enough to fit beautifully into most homes with the power to heat up to 25 squares*

Where tradition meets innovation.

- Australian made and owned
- Glass size 430mm wide 225mm high
- 3 speed fan included
- Standard Colour – charcoal
- Optional stainless steel pedestal, heater side panels with chrome door caps
- Firebrick lined box
- 10 year firebox warranty

FIRELITE

Created for the King and Queen's castle.
A big Bay Window heater for big homes.

Indulge yourself with the biggest woodheater in your
street, perhaps state.

One of the rewards of having a large home is the ability
to enjoy your home in sheer comfort. Indulge yourself
in the special ambience that is created by the Coonara
Firelite. Heating up to 32 squares*. You may choose to
move to the next room and the Coonara Firelite will still
keep you warm.

Where tradition meets innovation.

- Australian made and owned
- Glass size 570mm wide 310mm high
- 3 speed fan included
- Standard Colour – charcoal
- Durable cast iron lined box
- 10 year firebox warranty

SETTLER C600

The Settler C600 makes Woodheating easy. It has all the character and warmth you would expect from this Aussie Icon. You can simply sit back and relax watching the flames flickering before you. With a self cleaning viewing window, durable cast iron lined box and a 3 speed fan, it can comfortably heat up to 30 squares* of open plan living.

Where tradition meets innovation.

- Australian made and owned
- Glass size 562mm wide 312mm high

Hearth size in front: 300mm

WOODY

The latest innovation into the Coonara Family is our Remote Control and Thermostat options for our new Woodheater called the "Woody". You can sit back and relax in the comfort of your armchair and remotely operate this heater to suit your comfort levels. The one thing you still must do is put wood on, but if you have the Thermostat option you can set the desired temperature to suit and then it tells you when to reload the fire by way of a coloured light indicator. How Good is that from the Genuine Aussie Icon.

Where tradition meets innovation.

- Australian Made and Owned
- Charcoal Painted Finish.
- Remote Control Standard.
- Optional Thermostat Control and table
- Heats up to 28 Squares
- 3 Speed Fan
- 10 Year Firebox Warranty
- Grate and ash pan standard

COMPACT INBUILT

The stunning Compact Inbuilt combines elegant design with space efficiency and outstanding warmth.

A compact woodheater that is ideal for use in smaller spaces, it looks aesthetically appealing in both contemporary and traditional homes and has the ability to heat up to 10 squares*.

Where tradition meets innovation.

- Australian made and owned
- Glass size 410mm wide 230mm high
- 3 speed fan included
- Standard Colour – charcoal
- Firebricks in the base of the box
- 10 year firebox warranty

SETTLER I500

The Settler I500 is a stylish heater that heats up to 22 squares* and will enhance any fireplace. With a large self-cleaning viewing window, cast iron liners and 3 speed fan, it will provide optimum warmth.

Where tradition meets innovation.

- Australian made and owned
- Glass size 433mm wide 312mm high
- 3 speed fan included
- Standard Colour – charcoal
- Durable cast iron lined box
- 10 year firebox warranty

SETTLER I600

The Settler I600 is a finely crafted woodheater that will heat up to 28 squares* and will add elegance to your fireplace. With a large self-cleaning viewing window, cast iron liners and 3 speed fan, it will provide optimum warmth.

Where tradition meets innovation.

- Australian made and owned
- Glass size 562mm wide 312mm high
- 3 speed fan included
- Standard Colour – charcoal
- Durable cast iron lined box
- 10 year firebox warranty

NO FIREPLACE NECESSARY

COONARA SETTLER ZERO CLEARANCE BOX

You can install a Settler woodheater without the need of a conventional brick fireplace and chimney.

The Z Box allows you to install inbuilt woodheaters directly onto a combustible floor using 18mm villaboard.

Detailed installation instructions, with clearances to combustible materials, are available from your Coonara dealer.

Timber framework, partially plaster board cladded

Zero Clearance Box positioned in framework on 18mm sheet

Heater fitted to Zero Clearance Box

WHERE TRADITION MEETS INNOVATION

All Coonara woodheaters enjoy the following features:

- 10 year firebox warranty*
- Patented folded steel firebox
- Full width firebox opening for largest viewing area
- 5mm thick neo ceramic self cleaning glass
- Low clearance to combustible materials for minimum floor space loss
- 3 speed fan on fan assisted models
- One touch easy, effective temperature control

TESTED AND APPROVED TO:

AS2918 – clearances to combustible materials

AS4012 – power output and efficiency

AS4013 – flue gas emissions

FUEL REQUIREMENTS

For maximum performance, seasoned, dry hardwood is required. Do not use chemically treated or painted timber.

COONARA WARRANTY

All current model Coonara woodheaters are warranted to be free from defects on material and workmanship under normal use and service. The warranty of the actual firebox, excluding baffles and liners is 10 years to the initial purchaser. All other components (except accidental breakage of door glass) are warranted for a period of 12 months. For the full warranty statement refer to the relevant Installation Manual available on our website www.coonara.com.au, or from your Coonara Dealer. Shamic goods come with guarantees that cannot be excluded under Australian Consumer Law. The purchaser is entitled to a replacement or a refund for a major failure and compensation for any reasonably foreseeable loss or damage. The purchaser is also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

FLUE INSTALLATION DIAGRAM (Freestanding Woodheaters)

FLUE KITS

Coonara heaters are designed and tested for use with Coonara approved Flue kits to Australian Standard AS2918 to enable the specified clearances to combustible materials.

Note: It is recommended that the flue protrudes a minimum of one metre through the roof.
